

fclib_create_int_attributes
_in_info

```
graph LR; A[fclib_create_int_attributes_in_info] --> B[H5Gmake]
```

A diagram showing a call from a function to a library. On the left, a gray rectangular box contains the text 'fclib_create_int_attributes' on the top line and '_in_info' on the bottom line. A dark blue arrow points from the right side of this box to a white rectangular box on the right. The white box contains the text 'H5Gmake'.
